

Dear Parent or Guardian,

We are excited to have your son/daughter volunteer at one of THINK Together's afterschool programs.

Attached you will find some forms that you and your son/daughter will need to read and sign. Please fill these out as soon as possible in order to expedite the process, and return them to the Volunteer Department at THINK Together's main office.

THINK Together is a non-profit organization whose mission is to assist educationally at-risk youth in low-income areas by providing academic support and homework assistance in order for them to stay in and succeed in school.

Our success in assisting each student to discover and explore his or her potential to the fullest is directly proportional to our number of caring, committed volunteers. Therefore, we take the time your son/daughter provides us with very seriously.

It is also important that you are aware of your son/daughter's schedule at the site. Please encourage them to not only attend the Volunteer Orientation Workshop but to also be punctual for their scheduled volunteer times. They are instructed to communicate their needs and schedule changes with their Site Coordinator so that appropriate adjustments may be made at the site.

We look forward to working with you and your child. We know this experience will be a rewarding and memorable one. Feel free to contact the Volunteer Department or the Site Coordinator with any questions or concerns you or your son/daughter may have.

Thank You!
